

## WEEKLY UPDATE FOR MAY 14, 2012

- Continued installation of permanent signing along the main line
- Concrete pour at the Cedar Street Bridge structure
- Installation of irrigation systems and landscaping
- The contractor will be working in the parking area (old Lakeside Inn site). **Pedestrians and drivers are reminded to stay out of the parking area.**
- At times, Bridge Street will be reduced to one lane. Please use caution through the work zone area.
- The contractor and ten different sub-contractors will be working on-site, performing various work at numerous locations along the corridor. **As a reminder – the corridor is an active construction site, and people will be cited for trespassing.**

PLEASE NOTE: Ongoing work should not interfere with Lost in the 50s weekend (May 18-20). The contractor will shut down work over Memorial Day Weekend (May 26-28).
